

Acknowledgement

I want to convey my thanks to my supervisor Prof. M. Mandal for his guidance and motivation.

I am grateful to Honourable Vice-Chancellor Sir for providing me an opportunity to carry out research work in this university.

I would also like to thank the Head, Department of Molecular Biology and Biotechnology, Tezpur University and my Doctoral Committee members – Prof. Charu Lata Mahanta (Department of Food Engineering & Technology, Tezpur University), Prof. S.K. Ray (Department of Molecular Biology and Biotechnology, TU) and Prof. S. Baruah (Department of Molecular Biology and Biotechnology, TU) for their valuable advice during my Ph.D. tenure.

My heartfelt thanks to Dr. N.D. Namsa (Department of Molecular Biology and Biotechnology) for helping me to carry out my research. I am also grateful to Dr. P. Chattopadhyay for providing me animal house facility to carry out animal studies at Defence Research Laboratory, Divisions of Pharmaceutical Technology, Tezpur.

I thank my senior Ajay Bhaiya, lab mates Kuldeep, Dhruvajyoti, Pritam, Munmi and all the past and present PhD and M.Sc students for help and encouragement throughout my PhD life.

I thank all the respected faculty members of the department of MBBT for their priceless support.

I thank the technical staffs of the Department of MBBT Mr. Samar Kakati, Mr. Pranab Mudoj and Dr. Naba Bordoloi for their help during my tenure.

I wish to acknowledge the financial support provided by Tezpur University and Department of Biotechnology (Grant No. BT/219/NE/TBP/2011).

Last but not the least; I am greatly indebted to my family, loved ones and well-wishers for supporting me during my good and bad times.

Devabrata Saikia
