## ACKNOWLEDGEMENTS

I take this opportunity to owe my deep gratitude to my guide sir Mr. Pralay Kumar Karmakar, Lecturer, Department of Physics, Tezpur University for his unparalleled support and guidance. Over-coming his time constraints he has looked after the work and progress from time to time and provided me with all the resources and information. I am indeed very grateful to him.

I am grateful to all my teachers of Physics department for their encouraging me in my project work. I am also grateful to those research scholars of Physics department who ever helped and encouraged me in my project work. Lastly, I thank all my family members especially to my PARENTS for their love, blessing, help and continuous support.

Animesh Barman.
