CERTIFICATE

It is certified that Pranjal Das takes up a minor project entitled "*A STABILITY OF A MAGNETIZED DUST MOLECULAR CLOUD AND ITS IMPACT ON STAR FORMATION*" during the period from June 2007 to May 2008 under my supervision and guidance. This project is a partial fulfillment for the award of the degree of Master of Science (M.Sc) in Physics. I wish him all the best in his future days.

ACKNOWLEDGEMENT:

At the very onset I would like to express deep sense of gratitude to my guide P. K. Karmakar, Lecturer, Department of physics, for his dynamic guidance, constant encouragement, meticulous supervision and moral support that I have received all through my project work. His valuable suggestion and lively discussion well inspired me to put my best efforts into my project work.

I also take the opportunity to extend hearty grateful to Swapan Biswas, Mithun Karmakar and Anil Hazarika for their valuable support through out my project work.

Last but not the least, I would like to extend my thanks to all of my classmates for their kind co-operation.
