CERTIFICATE

This is to certify that the Project Report entitled “Analytical solution of d -KdV equation by different mathematical techniques” submitted to the Department of Physics, under the School of Science and Technology, in partial fulfillment for the degree of Master of Science (M.Sc) in Physics is a record of project work carried out by **Mr. Paranjyoti Bharadwaj** under my supervision and guidance.

All through out the project work he has been sincere and hard working. I wish him all success in life.

Acknowledgement

I would like to take the opportunity to thank my supervisor **Mr. Pralay Kumar Karmakar** for his guidance. His assigned Project introduced me to whole new world of Plasma, Non-linear dynamics as well as Mathematical softwares.

I would also like to acknowledge the kind help extended by Mr. Rakesh Moulick, student third semesters in a few steps of the experiment.

Paranjyoti Bharadwaj.
