Dr. Pritam Deb
Lecturer

P.O.: Napaam, Tezpur
Sonitpur - 784 028
Asom, (India)

CERTIFICATE

This is to certify that the project work entitled “**Application Of Metal Oxide Nanoparticles In Removal Of Arsenic From Drinking Water And As Magneto-Optic Switching Devices**” submitted to the Department of Physics, under the School of Science and Technology, in partial fulfillment for the award of the degree of Master of Science (M.Sc) in Physics is a record of project work carried out by **Mr. Kunal Borah**, Roll no. **PH-05-11** under my personal supervision and guidance.

Date: 29.05.2007

Place: Napaam, Tezpur.

(Dr. Pritam Deb)

Lecturer

Department of physics
School of Science and
Technology

ACKNOWLEDGMENT

At the very outset I would like to express humble gratitude to my guide Dr.P.Deb for his inspiring, valuable suggestion and constant encouragement . Without his help the work done till now would not have been possible.I would like to thank my group members Debojit Bora and Abhijit Hazarika for their encouragement and help provided to me in carrying out my project work, I would also like to thank all the faculty members of our department for their kind suggestions .

I would like to thank Miss Ritusmita Goswami, research scholar of environmental sciences department and Mr. Ranjan Dutta Kalita research scholar of M.B.B.T department for their kind and generous co opreration.. I would also like to thank all the the research scholars of my department.

At the end I would like to thank my best pals Mr. Somik Banerjee and Miss Barsha Rani Hazarika for providing me inspiration to do hard work,

Kunal Borah
