

ACKNOWLEDGEMENT

At the prime out set, I would like to express my thanks and gratitude to Dr. Ashok Kumar, Head, Department of Physics, Tezpur University for giving me the opportunity to carry out my fourth semester project and providing with the necessary facilities and valuable suggestions.

It is a pleasure for me to confer my sincere gratitude to my guide Dr. Gazi A. Ahmed, Lecturer, Department of Physics, Tezpur University for providing the project and for his valuable and constructive suggestions. His timely guidance has always provided me with the necessary enthusiasm during the project work.

Finally I render a standing ovation to all the persons who have provided me moral support and guidance in carrying out the project.
