

ACKNOWLEDGEMENT

With due regards, I express my gratitude to all individuals who have helped for the successful completion of my project work.

At the outset, I express my sincere thankfulness to my guide, Dr. N.S. Bhattacharya, without whom this undertaking would have been difficult.

I am also grateful to the research scholars of our department for helping me by providing certain lab equipments and also with faithful suggestions.

TO WHOM IT MAY CONCERN

It is certified that Debapriya Chakraborty takes up a major project entitled "BANDWIDTH ENHANCEMENT OF MICROSTRIP ANTENNAS BY THE VARIATION OF MATERIAL PROPERTIES" during the period August to December 2007 under my supervision and guidance. This project is a partial fulfillment to 3rd semester course in M.Sc programme of Tezpur University, Napaam, Assam. I wish him all the best in his future days.
