

ACKNOWLEDGEMENT

It is indeed a great pleasure and a matter of immense satisfaction for me to express my deep sense of profound gratitude and independence towards my guide G.A.Ahmed for his extremely valuable supervision, constant encouragement, personal involvement and gracious relationship which has been of unlimited significance in shaping the quality of the work.

I wish to express my heartiest thank and appreciation to the faculty members of the physics department, Tezpur University for their dedicated involvement to make the work a success.

I would like to express my sincere thanks to Prof.Amorjoti Choudhury, Head of the department of Physics, Tezpur University

I am thankful to my friends for their valuable suggestion and help.

Above all, I am grateful to my family members for their constant encouragement towards the completion of the work.

*Achyut ch. Haloi
M.Sc. (Physics)
Roll No: -PH-04600514*

TO WHOM IT MAY CONCERN

This is to certify that Achyut ch. Haloi carried out the project entitled "Computer Modeling Of Nanoparticle" during the period of Aug 2005 to June 2006(third and fourth semester) under my supervision and guidance as per as requirement PH-500 of the M.Sc. course. This project is partial fulfillment of the requirement to the third semester courses in M.Sc. programme of Tezpur University, Napaam; Assam.He was sincere and hardworking during the course of this project. I wish him all the success in life.
