

Certificate

This is to certify that the project work entitled “Conducting polymer nanocomposites based piezoelectric crystal sensors for sensing hazardous chemicals ” submitted by DIMPUL KONWAR, Roll No.PHN10013, 3rd sem (M.Sc in Nano Science And Technology), at Tezpur University is an authentic work carried out by him under my guidance.

He has been sincere and hard working during the project work. I wish a great success in his future life.

Acknowledgements

I wish to express my deep sense of gratitude and indebtedness to Prof. A. Kumar, Department of physics, Tezpur University for introducing the present topic and for his inspiring guidance, constructive criticism and valuable suggestion throughout this project work. I would like to express my gratitude to Mr. Somik Benarjee who helped me a lot during my period of project work.

I am also grateful to Mr. Prakash Kurmi and Mr. Ratan Baruah for helping me for doing XRD and SEM for analysis of my samples.

I am thankful to research scholars in Material Research Laboratory for helping me out in different ways.

Last but not least, my sincere thanks to all my friends who have patiently extended all sorts of help for accomplishing this undertaking.
