

Acknowledgement

I wish to place on record of my deep sense of gratitude to Dr. Jayanta Kr. Sharma, Reader, Department of physics, Tezpur University, Napaam, for his inspiring guidance and valuable ideas for making this project a successful one.

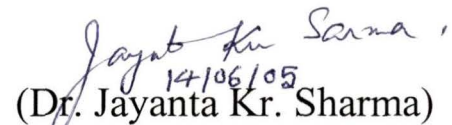

I take the opportunity to thank the research scholar Dr. Anjan Bhatta, Nava Hazarika, Sanjeev Bhatta of the department of physics who have been very much inspiring and take much interest in the project.

Last but not the least I would like to thank all my classmates and friends for their timely help and encouragement.

Devajyoti Dutta
(4th semester)

TO WHOM IT MAY CONCERNED

It is certified that Devajyoti Dutta takes up a major project entitled “Estimation of velocity and distances between various places by using GPS technique” during the period January to June 2005 under my supervision and guidance. This project is a partial fulfillment of the requirement to the 4th semester course in M.Sc. program of Tezpur University, Napaam, Assam. I wish him success in life.
