

## **TO WHOM IT MY CONCERN**

This is certified that the progress project work entitled “MONTE - CARLO SIMULATION OF PHOTON PROPAGATION THROUGH SCATTERING MEDIUM” is taken up by Bidyut Deka during the period of June to December’2005 (third semester) under my supervision and guidance. This project is partial fulfillment of the requirement to the third semester courses in M.Sc. programme of Tezpur University, Napaam, Assam.

I wish all the best for him.

Guide

(Dr. Gazi A. Ahmed)  
Lecturer, Deptt. Of Physics  
School of Science and Technology  
Tezpur University

Dated: The 29<sup>th</sup> Nov’2005  
Place: Tezpur University

## ACKNOWLEDGEMENT

At the very onset it is a great pleasure for me to express my deep gratitude and acknowledgement to my guide Dr. Gazi A. Ahmed, Lecturer, Department of Physics, Tezpur University, for his parallel valuable support, help and constant guidance which was encouraging. He has looked after the work and progress from time to time and provides me with all the available resources and information with idea.

I am also thankful to Prof. Amarjyoti Choudhury, Head, Department of Physics, Tezpur University, Tezpur for giving me the opportunity to carry on this project work.

At last but not the least I would like to thank my friends for their consistent support, help and encouragement that I received during the time of project.
