School of Science and Technology

ACKNOWLEDGMENT

At the very outset I would like to express humble gratitude to my guide Dr. Ashok Kumar for his inspiring, valuable suggestion and constant encouragement. Without his help the work done till now would not have been possible. I would like to thank Miss Smritimala Sarma, research scholar of Department of Physics for her encouragement and help provided to me in carrying out my project work. I would also like to thank all the faculty members of our department for their kind suggestions.

At the end I would like to thank my friend Sayan Bayan for providing me inspiration to do hard work.

Prasun Kumar Das
