

*A Project report on  
Synthesis and characterization of polymer electrolyte  
nanocomposite based on intercalation of PMMA into  $LiV_3O_8$*

*Project dissertation submitted to Department of Physics  
Tezpur University  
In fulfillment of the requirements  
For the degree of  
Master of Science*

*Sansuma Basumatary  
Under supervision of  
Dr Ashok Kumar  
Reader  
Department of Physics  
Tezpur University*
