ACKNOWLEDGEMENT

It is of immense pleasure to record here my deep sense of gratitude to my guide Dr. Nidhi Saxena Bhattacharyya whose valuable suggestion and affectionate guidance and keen interest in the work encourage me to complete the task.

I would like to convey my respect to all my teachers for their suggestions during my project work.

I am also thankful to Mr.Subasit Bora ,Mr. Ankur Gogoi, Mr. Debasis Sharma of dept. of Physics for their help during my project work.

Finally I express my deep sense of thankfulness to all of my friends without whose support and encouragement this work could not have been moulded into the present form.
