

ACKNOWLEDGEMENT

I take this opportunity to thank all who contributed in the most significant ways to improve the quality of my work. Without their valuable contributions it was almost impossible to complete this work in time.

First, I would like to extend my heartfelt gratitude to my guide, Prof. Mrinmoy K. Sarma, for his continuous guidance and keen interest in making this study so stimulating. It wouldn't have been possible to complete this work without his timely reminders. The motivation and encouragement given by him has led me through, to this day of submission. I would also like to thank the Doctoral Committee members, Prof. Chandan Goswami and Dr. Anjan Bhuyan, for their helpful guidance during the whole process of accomplishing this work.

I acknowledge with sincere appreciation the advice received from Prof. Chandana Goswami, Dean, School of Management Sciences, Prof. Papori Baruah, Head, Department of Business Administration, Prof. Debabrata Das, Prof. Tridib Ranjan Sarma and all other doctoral research committee (DRC) members of Department of Business Administration in completing this task.

I offer my sincere gratitude towards Prof. Vinod Kumar Jain, Vice Chancellor, Tezpur University for giving me the platform to fulfil my aim of doing PhD. My gratitude also goes to the staff of the Department of Business Administration for their help and support. I am thankful to Dr. Holendro Singh Chungkham, Assistant Professor, ISI North East for his guidance pertaining to some statistical analysis of my research work.

I shall always remain indebted to my parents Mrs. Anima Kalita and Mr. Badan Kalita and my dear husband Mr. Umananda Kalita for their unconditional love, incessant support and encouragement in all my endeavors. This degree of Doctor of Philosophy is as much theirs as it is mine. I extend my deep gratitude to all my family members, specially my in laws-Mr. Neela Kanta Kalita and Mrs. Rupa Kalita for their moral supports. I also thank my friends and family members for their generous help and hospitality during the time of data collection.

My sincere thanks to Dr. Pankaj Kumar, Ms. Lakhimi Jogendranath Chutia, Bidyut Jyoti Kalita, Shivam Kakati and all my fellow research scholars for helping me during different stages of my research work and for making this Ph.D journey eventful and memorable.

I wish to express my sincere gratitude to all the participants of this study, who gave their precious time and honestly responded to the study.

I am grateful to the Almighty for bestowing me with courage, patience and good health to withstand all ups and downs of my life.

My deep apology for all those whose names I might have inadvertently missed to record.
