

ACKNOWLEDGMENTS

“Acknowledgement is the only way to keep love alive”— Barry Long

At this moment of accomplishment, it gives me a great pleasure in expressing my gratitude to all those who contributed in many ways to the success of this study and made this thesis possible. Though, it will not be enough to express my gratitude in words to all those people who helped me, I would still like to thank all these people who made it an unforgettable experience for me.

First and foremost, I would like to thank the almighty for showering his blessings and giving me the strength, courage and patience to make everything possible.

*I would like to express my profound sense of reverence to my research supervisor **Dr. Sajal Kumar Das**, for his constant encouragement, support, motivation, exceptional guidance, and untiring help during the course of my research work. I am deeply impressed by his continuous devotion to research, his sincerity and patience. I am very much obliged to the Almighty for giving me a Golden Opportunity to work with such a dedicated and principled personality. I consider myself very fortunate to carry out research under his supervision.*

*I am highly indebted to the honourable Vice-Chancellor of Tezpur University **Prof. Vinod K. Jain**, and **Prof. Mihir K. Chaudhuri**, former Vice-Chancellor of Tezpur University for allowing me to carry out my research in a cordial and scientific environment.*

*I offer my sincere thanks to the **Prof. Ashim Jyoti Thakur**, Head and **Prof. Ramesh Ch. Deka**, former Head, Department of Chemical Sciences, Tezpur University for their valuable support and help in various aspects. I am also grateful to my Doctoral Committee members, **Prof. Niranjana Karak**, Professor and **Dr. Utpal Bora**, Assistant Professor, Department of Chemical Sciences, Tezpur University for their suggestions and inspiration throughout my PhD research period.*

*I am thankful to **Dr. Sanjay Pratihar**, INSA Young Scientist, Department of Chemical Sciences, Tezpur University, for his support in establishing the laboratory for my research work.*

*My ample appreciation remains due to **Dr. Bipul Sarma**, Assistant Professor, Department of Chemical Sciences, Tezpur, **Dr. Pallab Pahari**, Scientist, CSIR-NEIST and **Dr. Ajay Kumar Srivastava**, Scientist, CSIR-CDRI for their help in all characterizations (Single Crystal XRD, ,NMR, HPLC, HRMS etc.) required during my research work.*

With deep regards and profound respect, I avail the opportunity to express my deep sense of gratitude and indebtedness my mentors at my Schools, College and University for their inspirational teaching, ethics and discipline.

*I feel it a privilege to express my sincere thanks to **Dr. Dhrubajyoti Talukdar**, Scientific Officer and **Mr. Raju Kr. Borah**, Technical Assistant, Department of Chemical Sciences, Tezpur University for providing spectral and analytical data of my research compounds.*

I am hugely indebted to Tezpur University, Department of Science and Technology (DST), Council of Scientific & Industrial Research, New Delhi for their financial support.

*I was blessed with an opportunity to work in a most united, homogeneous and clean lab. I enjoyed the cheerful co-operation and accompany of **Hemi Borgohain**, **Junali Das**, **Arup J. Das**, **Manashi Sarmah**, **Sameeran K. Das**, **Prantika Bhattacharjee**, **Dr. Khairujjaman Laskar**, **Dr. Anindita Dewan** who made me feel a member of this family right from the day one with maintaining amazing atmosphere and humour in the lab. There is no chance of missing my juniors, who were my helping hand in this journey, I am thankful to **Tapashi**, **Prerona**, **Debojit**, **Kangkan**, **Subhomoy**, **Debanga**, **Gopal**, **Ashim** and **Pawan**. The warm memories of my days in **Lab-310** will haunt me forever.*

*I am also thankful to my close friend **Deepshikha** for her continuous encouragement, help and whose companionship always kept my mood cheerful and with whom I shared golden moments.*

*The enthusiastic inspiration, selfless co-operation, constructive criticism around the work of my seniors and friends –**Biraj Da**, **Shaswat Da**, **Kiran Da**, **Rajiv Da**, **Rupa Ba**,*

Gongutri Ba, Pinky Ba, Rekha Ba, Sandhya Ba, Himadri Ba, Abhijit, Bitupan, Himadri, Chandrama, Kaberun, Pranita, Suchibrata, Basanta, Kumar, Aditi, Rituparna, Junali have always been a stimulating boost. I would like to extend my thanks to junior research colleagues Rituraj, Abhishek, Sudarshan, Anuraag, Sushmita, Shyamoli, Shivane and all research scholars and friends for their inspiration and constant encouragement throughout my research career.

It is my fortune to gratefully acknowledge the family of my research supervisor Dr.Sajal Kumar Das. I wish to thank Mrs. Archana Patra Das for her love and care. I would like to express my deepest love to Sampannaa.

No word would Be sufficient to express my gratitude and love to my parents, brother Uday, Lt. uncle, grandparents, cousins Udjiban, Utpal, Rimpi and all family members for their continuous showering of boundless affection on me and supporting me in whatever I chose or did. It is my parent's prayer, constant struggle and hard work to overcome the odds of life, which has inspired me to pursue life with a greater optimism. This Ph.D. thesis is a result of the extraordinary efforts and sacrifices of my parents. My successes are dedicated to them now and always.

Lastly, I would like to thank all the well-wishers for their blessings and prayers which encouraged me to complete this research work. Thank you everyone.
