

ACKNOWLEDGEMENTS

I owe my thanks to several persons for their help, support, advice and suggestions during the various stages of my research project. Above all, I am grateful to my supervisor Prof. Farheena Danta, Department of English & Foreign Languages, Tezpur University for constantly supporting and guiding me throughout my research work. I thank her for the patience with which she has gone through my thesis. Without her assistance, it would have been difficult for me to complete the project. I am also grateful to Prof. B.K. Danta for his assistance, inspiration and advice. His valuable suggestions help me a lot in overcoming the difficulties I face during my research.

I would also like to thank the HOD, faculty members and staff of the Department of English & Foreign Language for their corporation in all matters. I also sincerely express my indebtedness to all the members of my Doctoral Committee including Professor Madan Mohan Sharma for their help and suggestions.

Research scholars and my friends, Nurjahan, Hasnahana, Lulu, Sandhya Rani, Pranami, Nabanita, Jonti, Gitartha, Jayprakash and others deserve my acknowledgements.

Finally, I express my heartiest gratitude to my husband Dr. L. N. Borah, my parents and other family members for their patience, care, and understanding.
