

Acknowledgements

During my research work I have received helps and encouragements from various quarters. I want to acknowledge them one by one.

First, I thank the Almighty for giving me the ability and power to carry out the work without any major problem.

I thank my supervisor, Prof. Smriti Kumar Sinha, for giving me the topic of the research and for all helps and encouragements, constructive suggestions provided during the course of the work. He guided me right from the beginning how to do survey, to read a research paper, to nourish the ideas and to culminate those ideas into something that is finally presentable. He always gave me freedom in my field of study and shown high degree of excellence and integrity both in work and life.

I thank the anonymous reviewers who have reviewed my research papers and provided helpful suggestions on improving them. I thank Prof. S. M. Hazarika, Prof. D.K. Bhattacharyya, Prof. D.K.Saikia, Prof. Malay Ananda Dutta, Prof. Nityananda Sharma, Prof. Utpal Sharma, Dr. Sarat Saharia, Dr. Debasish Das, Dr. Rajib Goswami for their excellent supports and helps during my Ph.D. work.

I thank my beloved wife Thiyam Priscilla Devi, my two sons Yohen and Marzing for their constant support and understanding.

Finally, I thank both my parents who left for the heavenly abode during the period of my research work. I pray for the peace of the departed souls.
