

Tezpur University

Certificate

This is to certify that the thesis entitled *Development of DDoS Attack Detection and Mitigation System* submitted to the Tezpur University in the Department of Computer Science and Engineering under the School of Engineering in partial fulfillment of the requirements for the award of the degree of Doctor of Philosophy in Computer Science is a record of research work carried out by Mr. Ram Charan Baishya under my personal supervision and guidance.

All helps received by him from various sources have been duly acknowledged.

No part of this thesis has been reproduced elsewhere for award of any other degree.
