TABLE OF CONTENTS

| List of Tables | xvi-xvii |
|---|-----------------|
| List of Figures | xviii-xix |
| List of Illustrations | xx-xxi |
| List of Abbreviations | xxii-xxiii |
| CHAPTER 1: GENERAL INTRODUCTION | 1-14 |
| 1.1 Introduction | |
| 1.2 Choice of present work | |
| 1.3 Aims and Objectives of the study | |
| 1.4 Bibliography | |
| CHAPTER 2: REVIEW OF LITERATURE | 15-46 |
| 2.1 Floristic Study in India | |
| 2.2 Floristic and Ethnobotanical works in | n North East |
| India particularly in Assam | |
| 2.3 Floristic and ethnobotanical explorat | ion in Sonitpur |
| 2.4 Bibliography | |
| CHAPTER 3: MATERIALS AND METHODS | 47-61 |
| 3.1 Study site | |
| 3.1.1 Vegetation | |
| 3.1.2 Topography | |
| 3.1.3 Demography | |
| 3.1.4 Climate | |
| 3.2 Floristic Study | |
| 3.3 System of Classification | |
| 3.4 Ethnobotanical Study | |

3.5 Informants' Consensus Factor (FIC) and Fidelity Level (FL) values

3.6 Evaluation of Non Timber Forest Products (NTFPs)

3.7 Bibliography

CHAPTER 4: TAXONOMIC ELUCIDATION: EXPLORATION, DOCUMENTATION AND SYSTEMATIC ANALYSIS OF DICOT ANGIOSPERMS 63-466

4.3.8.5 Plants used in various ritual and socio-cultural activities

4.3.9 Phytogeographical affinities of dicot species of Sonitpur

- 4.3.9.1 Indian elements
- 4.3.9.2 Indo-Malesia elements
- 4.3.9.3 Indo-Myanmar elements
- 4.3.9.4 Indo-Lankan elements
- 4.3.9.5 Indo-African elements
- 4.3.9.6 Indo-China elements
- 4.3.9.7 Tropical Asian elements
- 4.3.9.8 Neotropical elements
- 4.3.9.9 Paleotropical elements
- 4.3.9.10 Pantropical elements
- 4.3.9.11 Cosmopolitan
- 4.4 Bibliography

CHAPTER 5: STUDY ON USES OF MEDICINAL DICOTANGIOSPERMS AMONG A FEW SELECTED TRIBES.467-533

5.1 Introduction 5.2 Study on Munda community 5.2.1 Study area 5.2.2 About Munda Community 5.2.3 Results 5.2.4 FIC and FL values 5.2.5 Discussion 5.3 Study on Garo community 5.3.1 Study area 5.3.2 About Garo Community 5.3.3 Results 5.3.4 FIC and FL values 5.3.5 Discussion 5.4 Study on Mishing community 5.4.1 Study area

5.4.2 About Mishing Community

5.4.3 Results

5.4.4 FIC and FL values

5.4.5 Discussion

5.5 Comparison of all three communities in term of recorded ethnomedicinal species

5.6 Conclusion

5.7 Bibliography

CHAPTER 6: EVALUATION AND ASSESSMENT OF NON TIMBER FOREST PRODUCTS (NTFPs) WITH SPECIAL REFERENCE TO MISHING COMMUNITY 535-556

6.1 Introduction

6.2 Study area

6.3 Result and Discussion

6.4 Different plants parts used by the community as

NTFPs

6.4.1 Edible leaves

- 6.4.2 Edible fruits
- 6.4.3 Other edible parts
- 6.4.4 Non-edible plant parts collected for different

purposes

- 6.5 Conclusion
- 6.6 Bibliography

CHAPTER 7: CONCLUSION AND FUTURE SCOPE 557-559

7.1 Summary

7.2 Future Scope

Annexure I: PHOTO PLATES

Annexure II: LIST OF PUBLICATIONS
