
Acknowledgement

I wish to express my gratitude to many people whose support and encouragement contributed a lot in my research.

First of all I would like to express my sincere appreciation to Dr. Santanu Sharma, Associate Professor, Department of ECE, Tezpur University for his meticulous guidance and endless support throughout the research work.

I would like to thank Dr. Tapas Medhi, Assistant Professor, Department of MBBT, Tezpur University for his valuable suggestions which was helpful in learning the basics of hydrocarbon.

I would also like to thank Prof. P.P. Sahu, Head, Department of ECE, Tezpur University for allowing me to carry my research work in the department and allowing me to use the laboratory facilities of the DST-FIST Assisted Micro Fabrication Facility, Department of E.C.E, Tezpur University.

I am highly thankful to Prof. J.C. Dutta for his constant encouragement and suggestions throughout the research work.

I would also like to thank Prof. S. Bhattacharyya for providing valuable suggestions especially regarding thesis writing skills.

I express my sincere gratitude to all the faculty members and the technical staff of the Department of ECE, Tezpur University for providing support and encouragement throughout my research.

I am also grateful to Sujan Neroula and Dhrubajyoti Sarma for all the valuable discussions on various topics regarding my thesis.

I would also like to appreciate the encouragement provided to me by Pranjali Barman, Kritanjali Das, Jyotisikha Deka, Dr. Kaushik Chandra Deva Sarma, Palash Phukan, Mukut Senapati, Rewrewa Narzary, Arup Dutta, Md. Abdul Mazid, Lachit Dutta, Minaz Ahmed, Sourav Haloi, Soma Chakraborty, Kuntala Baruah and Purnima Sharma.

No word is sufficient to express thanks and gratitude to my beloved dad, mom and my little brother who are always with me like a shadow doing all sacrifices to support me and keeping me ambitious in life.

Last but not the least, I would like to thank The Almighty for being with me through out in all my ups and downs of my life.
