

Acknowledgement

I pay my obeisance to GOD, the almighty for all the blessings he has showered onto me and making this journey fascinating and extremely rewarding. During the period of my research, as in the rest of my life, I have been blessed by Almighty with some wonderful individuals who have spun a web of support around me. Words can never be enough in expressing how grateful I am to those incredible people in my life who made this thesis possible. I would like to offer my deep sense of gratitude towards them for contributing to accomplish this huge task,

On successful completion of my Ph.D. thesis I would like to thank my supervisor Dr. Panchanan Puzari, Department of Chemical Sciences, Tezpur University, for providing me insightful comment, sagacious guidance and constant encouragement from the beginning of this work till its completion. I owe a lot of gratitude to him for believing in me and for his patience and dedication with which he went through the minutest details of the thesis, strengthening it with suggestions from time to time in the midst of all other responsibilities that he has to shoulder apart from that of a supervisor. I appreciate all his contributions of time, ideas and funding to make my Ph.D. experience productive and stimulating.

It is a great pleasure to express my deepest thanks and gratitude to the members of the doctoral committee- Prof. Ramesh Ch. Deka and Prof. Robin Kr. Dutta for their critical comments and suggestions. I have been greatly benefitted from their constructive criticisms and advices that helped me to improve my work,

I take this opportunity to extend my sincere gratitude to Prof. Ashim J. Thakur, Head of the Department of Chemical Sciences and Prof. Ramesh Ch. Deka, Dean of School of Sciences for allowing me to carry out my research work and providing me all the necessary supports.

I extend my thanks to all Faculty members and the non-teaching staff at the Department of Chemical Sciences, Tezpur University, Tezpur for their support and creating a nice and pleasant working atmosphere.

I take this opportunity to convey my heartfelt gratitude and respect to all the teachers I met at different stages of my education for their blessings and guidance.

I would like to address special thanks to the unknown reviewers of my thesis, for accepting to read and review this thesis.

I acknowledge Tezpur University for the institutional Fellowship and National Tea Research Foundation (NTRF) for financial support.

I also offer my special thanks to former lab mates Rekha ba, Puja Rani and Samarjit as well as present lab mates Sudarshan, Shyamali, Ranjit, Rituraj and Abhishek for their timely help, enthusiastic attitude and active co-operation throughout my research period. The bonding we grew over the years and all the joyous as well as heartwarming moments we shared together will remain as beautiful memories forever in my heart.

I wish to thank my dear friends Chandrama, Pranita, Basanta, Shibani, Abhijit, Runjun, Kabirun, Dimpi, Varsha, Snigdha, Gangotri, Anup, Bitupon and Purnima who have boosted me intellectually and emotionally throughout my Ph.D. tenure. I am forever thankful to Upakul for always remaining beside me and cheering me up whenever time got tough, for listening with patient ears to all my whining and above all for being such a wonderful friend.

I owe special thanks to Chandramika ba, Sweety ba, Pangkita ba, Hemi, Moon, Manashi, Sameeran, Sudipta, Jonali, Prantika, Arup, Khairu da, Sudha, Sudakhina, Nazreena, Jashodhara, Durlabh da, Rupjyoti, Manab, Gunjan, Dikshita, Preetima, Dipjyoti, Afjalur and Biplob for being my well wishers and extending generous gesture to me during the endeavour.

I am so grateful to my loving and supportive parents whose unwavering confidence in me always helped me to strengthen my abilities. They encouraged me all through these years and helped me to deal with the distress of life courageously. I owe an immeasurable gratefulness towards them, though words do not suffice. I am thankful to my elder brother, Babu da, for his love and concern for me. His guidance always helped me to reach new heights. I am also blessed to have two lovely sisters, Bhani and Lulu. Their wholehearted affection and care for me and also being my greatest supporters in every step of life has made this journey really incredible.

Finally yet importantly, I would like to thank all of my close friends and relatives who always encouraged me and provided valuable advices and unconditional support to strive towards my goal.
