

List of publications

- [1] Borah, M and Hazarika, J. Discrete Shanker distribution and its derived distributions. *Biometrics and Biostatistics International Journal*, 5(4), 2017.
- [2] Borah, M and Hazarika, J. New quasi Poisson Lindley distribution. *Journal of statistical theory and application*, 16(4):576-588, 2017.
- [3] Borah, M and Hazarika, J. Generalized two parameter Poisson Lindley distribution. *Journal of Ethiopian Statistical Association* (Accepted).
- [4] Borah, M and Hazarika, J. Poisson Sushila distribution. *International Journal of Statistics and Economics*. 19(2), 2018
- [5] Borah, M., K. Saikia and Hazarika, J. A study on two parameter discrete quasi Lindley distribution, *International Journal of Mathematical Archive*, 6(12), 2015
