“Almighty...I prayed you once, you send them to assist. Thank you a ton. People prays for Divine, I found it within...”

At the very outset of this journey, I would like to convey my deep gratitude to Prof. Nidhi S. Bhattacharyya, my supervisor, for her enduring guidance, enthusiastic encouragement, inspiration, care and support towards positive approach and constructive assessment of this research work. These words are becomes few to express my gratitude.

I would like to express my sincere gratitude to Prof. Satyajib Bhattacharyya and Dr. Pritam Deb for their constructive guidance and precious suggestions throughout my research work.

I am grateful to Prof. A. Kumar, Dr. G. A. Ahmed and Dr. D. Mohanta, of Dept. of Physics, Tezpur University for their encouragement and support throughout my research work. I am also grateful to the technical staff of Dept. of Physics, Dr. K. Baruah, specially Ratan Da, Gohain Da and Palash Da for their technical support.

I would like to thank the office staff of Dept. of Physics, Patir Da and special mention Narayan Da, technical staff of SAIC, Tezpur University, Anil Da and Prakash Da for their help and support during my research work. Thanks to the administrative and Library staff of Tezpur University for their help and support.

I would always grateful and indebted to MeitY Govt. of India for the financial assistant through the project to carry out my research work.

Thank you Bhaskar Da (Zenith), Mitra Da and Daju for your precious help and support.

I would like to thank IIT Guwahati and CSIR-NEIST, Jorhat for assist me by taking the some of the experimental results.

Also I am grateful to all my friends of Tezpur University for your company and had a wonderful time during my research work. Thank you, Nibedita Ba, Samiran Da, Koushik Da, Parag Da, Bishwa Da, Naba, Homen, Deba Da, Jagat Da, Anup Da, Jayanta Da, Saurav Da, Kakoli Ba, Kasmiri Ba, Deepak Bhaiya, Rajiv, Swati, Bichitra, Iftak, Rabha, Diganta, Deep, Prakash Da, Devolina, Rituraj, Lakhi Ba, Pritam, Dharma,

Acknowledgement

Miltan and Suhash for your wonderful company and support. Thank you Jagat of ECE department for your providing me a Si wafer.

Journey towards Ph.D is a long way and helps and supports from some peoples would remain vibrant throughout the life. A BIG thanks to Manash Da, Parama Nilufar and Bijoy for your inspiration, enthusiastic encouragements, precious suggestions and constructive discussions and untiring helps throughout this journey. My lab mates and seniors, Jyoti Da, Debu Da, Kunal Da, Sikha Baa, Subasit Da, Pragyan Da and also Pranjal Da and Anup Da thank you so much for your encouragements, inspirations and precious suggestions throughout my research work.

A special mention needs for my most energetic lab mates, Arunav, Dipangkar, Soma and Dhruba. I could not know how to thank you guys. No words to say. I would remain grateful and indebted for your enthusiastic encouragements, wonderful suggestions, and constant inspirations throughout this journey.

“MAA and DEUTA” blessings from you and wishes are always with me. I am here only because of you. “DADA and BOU” your encouragements and faith on me helped me to reach here. Without your care, love and supports it would not possible to reach here.

And thanks goes to everyone whoever I met and influenced me during the journey.

Thank you Almighty GOD for your blessings.

Rocktotpal Baruah
