

ACKNOWLEDGEMENT

First and foremost, I take the immense pleasure to express my sincere gratitude to my supervisor Prof. Munmun Hazarika for her constant encouragement and support throughout my Ph.D. journey. I am extremely honoured to have her as my continuous source of inspiration, without whose dedicated guidance, I could have never completed my thesis effectively on time.

I am sincerely grateful to my doctoral committee members Prof. Debajit Hazarika and Prof. Nayandeep Deka Baruah for their valuable suggestions at various stages of my work. I thank the faculty members and staff of the Department of Mathematical Sciences, Tezpur University for their sincere co-operation during my research work.

I thank my fellow researchers and friends Bimal Da, Zakir, Pallabi, Dimpal, Jayanta, Suparna, Junali, Mami, Sougata, Parama, Nilufar, Ajay, Krishna, Juti Ba, Surya Da, Porinita Ba, and Sangeeta Ba for their well wishes and constant support.

I thank Maa and Deyta, it is because of their love and blessings that I have come so far and achieved this milestone in my life. I thank my husband, Moniraj, who has supported me all throughout these years and encouraged me to fulfill my dreams. And finally, I thank my child Vian, for being my constant source of hope and happiness.
