“Every new journey begins with an end”

In the journey towards my Ph.D., this research work is timely completed due to constant inspiration and support from my mentors, friends, family members, seniors and juniors who motivated me to keep going on. I would like to take this opportunity to express my deep sense of gratitude to the wonderful people in my life for whom I could stand where I am today.

First and foremost I would like to convey my heartfelt thank and sincere gratitude to my supervisor Prof. Manabendra Bhuyan. This work could not have been possible without his constant guidance, valuable suggestions, constructive criticisms and blessings throughout the course of my Ph.D. work. I am also grateful to him for spending his invaluable time reviewing my articles and thesis. He has an excellent personality and living a disciplined and prudent life. His profound knowledge in the field of Instrumentation helped me in grasping the art of critical analysis and thinking.

I express my sincere thanks to the Head of the Dept. Prof. P. P. Sahu for his valuable suggestion and kind support. He has always inspired me to aim higher in life. I would also like to thank Prof. J.C. Dutta, Prof. S. Bhattacharyya, Dr. Santanu Sharma, Dr. Biplob Mondal, Dr. Durlav Sonowal and other members of ECE department of Tezpur University for their suggestions. I would like to give special thanks to staff members Mr. Kulendra Sharma and Roy da for their immense help.

I will always be grateful to DST, Govt. of India for the project grant under my supervisor to carry out the research work.

I am indebted to my family members for their love care and support in every aspect of my life and academic career. I would like to especially express my regards and gratefulness to my ma, deuta, baidew, Dr. Rohini Kumar Dutta (kon-khura) and Mrs. Juri Dutta (hour-khuri) for being in my side during the grief-stricken period of my life.

I would like to thank my astoundingly supportive lab mates Anil Da and Champak Da for their help in designing the setup, performing the experiments and analyzing the results.

I thank all the research scholars of ECE Dept., friends Palash Phukan, Tanmay Patgiri, Mukut Senapati, Pranjal Barman and Ananya Bonjyotsna and juniors Soma, Rakcinpha, and Hilly for their good wishes and lending a supportive hand whenever needed. A special thanks to my seniors Nimisha Ba, Nilima Ba, Shashi Ba, Madhurjya Da, Anup Da and Pranjal Da for sharing a wonderful time during my research work.

Thank you almighty.
