

ACKNOWLEDGMENT

This thesis is the culmination of my Ph.D journey which was just like climbing a high peak step by step accompanied with difficulties, encouragement, constant guidance and support. It is my greatest pleasure to convey my gratitude to huge numbers of people who have directly or indirectly influenced and encouraged me over the course of my studies and my life in general.

First of all, I would like to express my deep sense of gratitude to my research guide Professor Niranjan Karak, Department of Chemical Sciences, Tezpur University for his invaluable guidance, support, advice, inspiration and a wonderful accompany throughout my Ph.D. work. This thesis would not have been possible without his constant guidance, involvement and heartfelt support at all times, and I shall eternally be grateful to him for his assistance. His dedication towards research and persistent courage has always inspired me to do more.

I would also like to express my sincere gratitude and humble respect to my doctoral research committee members Dr. Nayanmoni Gogoi and Dr. Sajal Kumar Das for their positive appreciation, timely help and valuable advises.

No research is possible without infrastructure and requisite materials and resource. It is my pleasant duty to acknowledge with thanks the cooperation and support extended to me by the authority of Tezpur University and entire community of the Department of Chemical Sciences, for allowing me to use the administrative and technical facilities required for my research work.

It is my greatest pleasure to acknowledge the present and former Heads of the Department, Prof. A. J. Thakur and Prof. R. C. Deka for giving me the opportunity to work on my topic and valuable advises throughout my stay at Tezpur University.

I extend my gratitude to Prof. M. Mandal, Associate Professor, Department of Molecular Biology and Biotechnology, Tezpur University for his cooperation during the course of my bio-related laboratory work.

I am immensely grateful to Prof. N. S. Islam, Prof. S. K. Dolui, Prof. T.K. Maji, Prof. R. K. Dutta, Prof. A. K. Phukan, Dr. R. Bora, Dr. P. Puzari, Dr. P. Bharali, Dr. K. K. Bania, Dr. S. Pratihari, and Dr. U. Borah, faculty members of Department of Chemical Sciences, Tezpur University for their valuable suggestions and advices.

I extend my gratitude to Dr. Kuldeep Gupta and Dr. Debrabat Saikia for their help during my bio-related works.

My heartfelt thanks go to my senior lab-mates Dr. Bibekananda De, Dr. Satyabrat Gogoi, Dr. Shaswat Barua, Dr. Beauty Das, Dr. Suman Thakur, Dr. Vijay K. Das, Dr. Anamika Kalita and Purnima Baruah for their diverse help, support, motivation and active cooperation. I would also like to
