

ACKNOWLEDGEMENTS

My first and foremost thanks to my supervisor Dr. Ashalata Devi and co-supervisor Dr. Awadhesh Kumar, NERIST, Arunachal Pradesh for giving me opportunity to carry out my research under their guidance. I am grateful to Dr. Ashalata Devi for her constant guidance, encouragement and support while carrying out my doctoral research. She has provided me a niche, where I could carry out my research without any difficulties. I will be always grateful to her for giving me opportunity to evolve my scientific cognition under her guidance. I am grateful to my co-supervisor Dr. Awadhesh Kumar for the essential help to solve my research problem systematically.

I am grateful to my doctoral committee members, Dr. S. S. Bhattacharya, Department of Environmental Science and Dr. M.V. Satish Kumar, Department of Molecular Biology and Biotechnology, Tezpur University for their constant feedback, support, encouragement and questions that help me to widen my research understanding. My sincere acknowledgement also goes to other faculty members of Department of Environmental Science, Tezpur University for their support and valuable suggestions during my entire Ph.D. work.

My special thanks to Dr. Kuladip. Sarma, Animal Ecology and Wildlife Biology, Gauhati University for mentoring me throughout my academic career.

*A very special gratitude goes out to Department of Science and Technology, Govt. of India for funding the project entitled "Population distribution, habitat structure, behavior ecology and conservation of Arunachal macaque (*Macaca munzala*) and giving me the financial assistance as JRF fellowship. I am also grateful to Principal Chief Conservator of Forest and Wildlife, Arunachal Pradesh for giving the necessary permission and logistical support to carry out my research in western Arunachal Pradesh. I would like to thank Dr. Pijush Kumar Dutta (former Head of WWF-India, Western Arunachal Pradesh Landscape), Mr. Degin Dorjee, Community Mobiliser, WWF-India, Mr. Nawang Chhota Village head of Lumpo village for providing necessary help during my field work in Pangchen valley.*

I would like to give a special thanks to Mr. Sonam Chhoibey, without his help my field work would not have been possible. I am thankful to Mr. Lobsang, Mr. Jehirul Islam, Mr. Tenzin Lundup (Talendu), Mr. Tenzin Lobsang, Mr. Tashi Dorjee, Rajen, Mr. Phulen

Das, Pemba and Mr. Dipankar Sharma for their significance help during my field work. Besides that, I will be always grateful to the people of Pangchen valley community conservation area for the generous help during my field work.

I sincerely acknowledge Mr. Sishir Kalita, Department of Electronics & Electrical Engineering, IIT, Guwahati for the help in acoustic study. I am thankful to Dr. Murali Krishna, Dr. Rajeev Basumatary, Dr. Jyotoprakash Deka and Biranjay Basumatary for their help during my population survey in western Arunachal Pradesh.

I would like to express my special thanks to Dr. Jintu Sarma, Dr. Nilotpal Das, Mr. Pulakeswar Basumatary, Mr. Himolin Basumatary, Mr. Ankur Nath, Mr. Arbind Kumar Patel, Ms. Nivedita Barman and Mr. Daulat Singh for their essential help in crucial time of thesis writing.

I am thankful to my senior Dr. Rajesh Sah, Dr. Gita Dutta, Dr. Mrigakhi Borah, Dr. Moumita Guha, Dr. Nabajit Hazarika, Dr. Diganta Das, Dr. Panjit Basumatary, Dr. Bhrigu Prasad Saikia, Dr. Parimal Ray, Dr. Amal Bawri, Dr. Anup Das and Mr. Anjan Sangma for providing me valuable suggestion during my initial period of Ph.D. I would like to thank my fellow lab mate Ms. Shilpa Baidya, Ms. Bidyalakshmi Devi, Mr. Pankaj Kumar Mili, Mr. Mamun Chandra Das, Mr. Phulen Das, Mr. Sanjib Goswami for the mutualism, fruit full discussion and generous help. I wish to thank all the research scholars of the Department of Environmental Science, Tezpur University for their help during the period of pursuing my Ph.D.

I would like to express my sincere gratitude to the officials and technical staff of the Department of Environmental Science and administration of Tezpur University for their essential support during my Ph.D. work.

Last but not the least, I am thankful to my parents for supporting me to accomplish my passion and keeping faith on me. I am thankful to Ms Sonia Boro for the support during my difficult time of my life.

I sincerely apologize and extend my deep gratitude, if I have missed out one unknowingly. However, in this context, I would like to mention that any discrepancy or error in the thesis is my sole responsibility.

(Bidyut Sarania)
