

ACKNOWLEDGMENT

It is an immense pleasure to convey my appreciation to a large number of people who have directly or indirectly impacted and motivated me over the course of my Ph.D work, and my life in general.

First and foremost, I would like to express my profound gratitude to my Ph.D supervisor Professor Niranjan Karak, Department of Chemical Sciences, Tezpur University for his inspired guidance, expert advices, insightful criticism, great patience and constant support and encouragement throughout my Ph.D. work, I am highly indebted to him for his valuable suggestions on my research work which had been instrumental in allowing me to grow as a researcher. His dedication towards scientific research and indomitable spirit would continue to motivate me for my future endeavors.

I would also like to express my sincere gratitude and humble respect to my doctoral research committee members Prof. Ruli Borah and Dr. Pankaj Bharali for their timely help and advices.

It is my pleasant duty to acknowledge with gratitude the cooperation and support extended to me by the authority of Tezpur University and entire community of the Department of Chemical Sciences, for allowing me to use the administrative and technical facilities required for my research work,

It is my greatest pleasure to acknowledge the present and former Head(s) of the Department, Prof. A. J. Thakur and Prof. R. C. Deka for giving me the opportunity to carry out my work and valuable advices during my stay at Tezpur University.

I am immensely grateful to Prof. N. S. Islam, Prof. S. K. Dolui, Prof. T. K. Maji, Prof. R. K. Dutta, Prof. R. C. Deka, Prof. A. K. Phukan, Prof. A. J. Thakur, Prof. R. Bora, Dr. P. Puzari, Dr. P. Bharali, Dr. N. M. Gogoi, Dr. K. K. Bania, Dr. S. K. Das, Dr. B. Sarma, Dr. U. Borah, Dr. Sanjeev P. Mahanta and Dr. S. Pratihar, faculty members of Department of Chemical Sciences, Tezpur University for their valuable suggestions and advices.

I extend my gratitude to Dr. Biman B. Mandal, Mr. Yogendra P. Singh and Mr. Prerak Gupta from Indian Institute of Technology, Guwahati for their co-operation in carrying out all the biological experiments.

My heartfelt gratitude goes to my senior lab-mates Dr. Shaswat Barua, Dr. Bibekananda De, Dr. Suman Thakur, Dr. Satyabrat Gogoi and Dr. Vijay K. Das for their manifold help and active cooperation. I would also like to thank my group members Deepshikha Hazarika, Rajarshi Bayan, Aditi Saikia, Tuhin Ghosh, Geeti K. Dutta and Dimpee Sarmah for their constant inspiration and help during my Ph.D. work.

I would like to offer my sincere thanks to Dr. Biren Gohain, Mr. Nipu Dutta, Mr. Raju K. Borah, Mr. Sankur Phukan, Mr. Rajen Borah, Mr. Biraj Borah, Dr. Dhruvajyoti Talukdar, Mr. Biplob Ozah, Mr. Manoranjan Sarma, Dr. Ratan Baruah, Mr. Pranab Mudoi, Mr. Prakash Kurmi,

Mr. Anil Hazarika and Mr. Tridib R. Nath for instrumental and experimental helps. NEEHU, Shillong, IIT Guwahati and CSIR-NEIST, Jorhat are highly acknowledged for their help in analyzing and testing works.

I would also like to thank the office staffs of Department of Chemical Sciences, Tezpur University, Ms. Babita Das, Mr. Hemanta Gogoi and Mr. Bubul Das for their kind help during my Ph.D. work. I wish to thank all my friends and research scholars of Tezpur University and other institutions for their help and support during the course of my work.

I would like to thank Mrs. Susmita Karak for her affection during my stay at Tezpur University. Finally, I take this opportunity to offer my genuine and heartfelt appreciation to my parents for their blessings, support, valuable advices and constant inspiration throughout my Ph.D work. I am also thankful to my younger sister for being a pillar of strength and affection. I offer my gratitude to all my relatives and well-wishers for their encouragement. Their eternal love will continue to inspire me in every step of my life.

Last but not the least, I would like to thank the Almighty for everything.

Place: Tezpur University, Tezpur
