*By the abundant grace of blessings of God and His everlasting light of guidance, I was able to accomplish this work. As I reach another cornerstone in my academic career, I wish to express my eternal feelings to those, whose strong support and motivation made possible to present my research work in the form of the thesis.*

*First of all, I would like to express my deepest sense of gratitude and special thanks to my supervisor **Dr. Pabitra Nath**, who believed in, encouraged and supported my efforts and provided intellectual stimulation, continuing exhilarating and sagacious guidance throughout the present study. His scholarly suggestions, prudent admonitions, immense interest, constant help, and affectionate behavior have been beacon of light for me. His cordial behavior, humble attitude, generous mood, friendly nature cooperativeness, and magnanimity are some of the exquisite traits, which I would certainly like to cherish and emulate. He is a man of high caliber with inborn positives, which have laid a deeply rooted impression in me. While working under him, the meticulous execution of his work has installed in me a great sense of confidence to carry out my work objectively and successfully. Along with research he also stands by me to support me during my family hard times. His suggestions will remain with me as an inexhaustible source of scientific learning throughout my life.*

*I would like to express my sincere gratitude and profound thanks to our former and present Hon'ble Vice chancellor **Prof. Mihir kanti Chaudhuri** and **Prof. Vinod Kumar Jain** respectively, for giving inspiration and advice and providing all the necessary facilities during the course of my research work.*

*I would also like to thank my Doctoral Committee members, **Prof. Ashok Kumar** and **Dr. Gazi Ameen Ahmed** for their support, suggestion and supervision during my research work. Their personal involvement, timely help, stimulating discussion help me a lot during my research work.*

*I appreciate having capitalized on this great opportunity given to me at Tezpur University. The facilities at Tezpur University have allowed me to enhance my personal experience and life both academically and personally. I sincerely acknowledge and express my*

gratefulness to the faculty members of Department of Physics, Tezpur University who always support and guided me whenever I approached them. I would like to express my gratitude to Prof. A. Kumar, Dr. Gazi A. Ahmed, Dr. Arup J Choudhury and Dr. S. K. Das of Dept. of Physics, TU; Prof. Partha Pratim Sahu, Dept. of ECE, TU and Dr. T Medhi of Dept. of MBBT, TU, for their valuable suggestions, inspirations, and support to carry out my research work. I have accessed their laboratory facilities whenever I needed.

It gives me enormous pleasure to express my sincere gratitude to Prof. Anil Kottantharayil Department of Electrical Engineering, IIT Bombay, Dr. K. Nageswari HR, IIT Bombay, Nanofabrication Facility, and Ms. Ritu Rashmi for accepting my proposal and allow me to carryout a part of my research work at IIT Bombay, under Indian Nanoelectronics User Program (INUP). In this context, I am thankful to DeitY, MCIT, Government of India for supporting INUP to make the facilities open to all user across the country. I am also thankful to Aneesh M. Joseph, Gayatri P. Vaidya, Sunil, Amit, Prem Sai, Pavan, Dr. Uvesh VN, Dr. Bablu Mukharjee and all the technical and nontechnical staff of IITBNF for their help during my visit to IITB.

I am happy to cordially acknowledge the financial support offered by the University Grant Commission (UGC), New Delhi, India in the form of Fellowship throughout my Ph.D. tenure. I also gratefully acknowledge the Science and Engineering Research Board (SERB), New Delhi, India for the financial support through project grant.

I would like to thank SAIC-TU, IASST for giving me the opportunity to characterize samples through their sophisticated characterization instruments. I would like to specially thank Prof. A. Khare, IIT, Guwahati for allowing me to use her laboratory facilities.

I also acknowledge the technical staff and office staff of Department of Physics, Dr. Kishore K. Boruah, Dr. Ratan Boruah, Mr. Biswa Kr. Das, Mr. Dhruba Deka, Mr. Palash Dutta, Mr. Biju Boro, Mr. Mrinmoy Gohain, Mr. Umesh Patir and Mr. Narayan Sarma for their constant technical support.

I also extend my sincere appreciation to the past and present members of Applied Photonics and Nanophotonics Laboratory, Department of Physics, Tezpur University that I have had the pleasure to work with or alongside; Dr. Sibasish Dutta, Mr. Iftak Hussain, Mr. Diganta Hatiboruah, Mr. Diganta Rabha, Mr. Sritam Biswash and Miss Priyanka Das. I acknowledge and appreciate the help received from Mr. Mukut Senapati and Mr. Palash Phukan of Dept. of ECE in deposition of gold film on my substrates.

I extend my special thanks to Rajiv, Biswada, Jagatda, Paragda, Bichitra, Diganta and Rabha for accompanying me and making my life enjoyable during the study. Special acknowledgment goes to my fellow research scholars, with whom I have spent most of the time at Tezpur University. Thank you Saurav da, Manashda, Deboda, Laksi ba,

*Kashmiri ba, Rocket, Arunaav, Dhurba, Dipankar, Homen, Sushant, Rituraj, Pritam, Bichitra, Bijoy, Jayanta, Dhurba, Duranta, Dharma, Parama, Pranamika, Namita, Nayana, Lavina, Happy, Bhagyalakhi, Swati, and Nilufar. I sincerely acknowledge my seniors, who have already passed: Sourav da, Manjit da, Samiron da, Kaushik da, Hari da, Moni da, Munmi ba, Dimpi ba, Kakoli ba, Pragyan da, Anup da and Jayanta da. Special thanks to my friends Kokil Das, Manjit Kr. Gogoi, Khagen Gogoi, Himansu Boruah and Jyoti Raidongia.*

*The largest thank must go to my parents and all my family members without whom (rather obviously and otherwise) I would never have got to this stage. At this moment, I remember my father Late Khirod Chamuah, who sacrificed everything to build our career brighter and taught me to be an honest and good human being since my childhood and inspired me to do good for others. Nothing can be matched with the moral support, blessings and everything else that I received from my father and my mother Mrs. Ramani Chamuah throughout my life, who showed me this beautiful world and always stand by me during hardships and ups and down in my life. I am fortunate enough to have my brothers Bubu, Akani and Munu and my cousin brother Baba with whom I have spent my childhood and they have been constant source of inspiration for me. Their unconditional love and support during my good and bad time help me to step forward in my journey. Fortunately, I am also blessed with love and support from Mrs. Jaya Boruah, Mr. Premananda Hazarika and Dr. Hirumoni Boruah. I express my heartiest thanks to them. I would specially like to acknowledge Miss Udesna Hazarika for making me believe in myself and standing by my side in difficult times and always been the reason of my inspiration. At last but not the least I thank the Almighty for giving me moral strength and courage to carry out my work.*
