The fulfillment accompanying the effective achievement of any assignment would be unfinished without mentioning those individuals who made it possible.

First and foremost, I would like to express my gratitude to my project supervisor Dr. Soumik Roy (Professor, Department of ECE & Head of the Department of Electrical Engineering, Tezpur University) for his continuous support throughout the whole duration of this project work and for his patience, motivation and immense knowledge in helping me out. I would like to thank Sir for his permission to use the lab facilities at any time I want, to carry out this work. The testing of the proposed system has been done in Accurate Lab, Guwahati, so, I would like to thank Dr. Bikash Rai Das (Health city Hospital, Guwahati, Assam) for his valuable suggestions and assistance. I would also like to thank Dr. Santanu Sharma, Professor & Head of the Department of Electronics and Communication Engineering, Tezpur University for the utmost support he provided me during the course of time. I shall be forever grateful to the faculties of ECE department for imparting their knowledge in whichever way possible.

My sincere thanks to Mr. Satyabrat Malla Bujar Baruah (PhD Research Scholar, Neuroengineering Lab) for providing me courage, guidance and constant motivation for carrying out this project work. Without his motivation and experience I would have found it very difficult to complete this work in a fruitful manner. His constant guidance in arriving to a conclusion while going through complex tasks is very encouraging and it helped me a lot during the duration of this project work.

I would also like to thank Mr. Biswajit Das & Mr. Uddipan Hazarika (PhD Research Scholar, Neuroengineering Lab) & my lab mates, Debaraj Kakoti & Adil Zafar Laskar for their constant help and support & healthy discussions that we have had during the course of time. Finally, I am grateful to my family and friends for their support and help throughout my research work.
