

ACKNOWLEDGEMENT

Firstly, I would like to convey my sincere gratitude to my project supervisor, **Prof. Vijay Kumar Nath**, Department of Electronics and Communication Engineering, without whom this project would not have been completed. During this project, his scholarly advice, insightful feedback and timely suggestions with kindness pushed me to sharpen my thinking and brought my work to a higher level.

I owe a deep sense of gratitude to **Dr Deepika Hazarika**, Associate Professor, Department of Electronics and Communication Engineering for her timely advice, scientific approach and enthusiasm to help at every stage of this project.

I am grateful to **Prof. Santanu Sharma**, Head of the Department of Electronics and Communication Engineering who has provided all the essential facilities to me.

I would also like to thank **Ms Deepamoni Mahanta**, **Ms Hilly Gohain Baruah** and **Mr Sunil Kumar** Research Scholars, Department of Electronics and Communication Engineering for their continuous guidance, invaluable feedback and moral support.

Furthermore, I am thankful to and fortunate enough to the faculties of Electronics and Communication Engineering Department for all the knowledge they have imparted, which I could put to use in this project.

Most importantly, I appreciate the cooperation and benevolence of my friends for helping me, especially my fellow lab colleagues, **Ms Chaity Pathak** and **Mr Dhurba Jyoti Boruah** and my family for cheering me up all throughout this journey.
