

## Acknowledgements

*It is a matter of great pleasure and privilege for me to express my deepest sense of gratitude and indebtedness to my PhD supervisor Dr. Robin Kumar Dutta, professor of Department of Chemical Sciences, Tezpur University, for his constant support, supervision and valuable suggestions to undertake the present research work. I am happy and very lucky to say that he provided not only guidance of my research work but also stands behind me whatever I needed in my distress. I am always thankful to him for introducing and capturing me to this exciting and interesting field of practically useful research. His tireless passion, valuable suggestions, constructive censures were always a source of inspiration for me to complete my PhD work with ease and confidence. I am very much thankful to his life partner, Dr. Mira Dutta Madam and their two daughters Narzee and Tara for their love and support.*

*I take this opportunity to express my sincere thanks to the Head, Department of Chemical Sciences, Tezpur University, for giving me the approval to work in this department. With the deep sense of gratitude, I would like to thank my doctoral committee members, Professor Swapan Kumar Dolui and Dr. Panchanan Puzari for their constant inspiration and valuable suggestions during my research work.*

*I am grateful to the administrative and technical staff of the Department of Chemical Sciences, Dr. Biren Gohain, Manuranjan Sarma, and Sankur Phukon for their help and technical support. It is pleasure for me to mention the name of Manuranjan Sarma again because he took many hectic situations during the analysis of large number of samples of my research work.*

*I would like to thank one of my best friends Jugal Bori, Technical Assistant NEIST, Jorhat for his help in heavy metal analysis. My sincere thank goes to technical staff of the Department of Physics, Tezpur University for XRD, SEM-EDX analyses.*

*I am very much thankful to Tezpur University for giving me the financial support in the form of institutional fellowship to carry out the research work conveniently.*
