

List of publications:

1. Borah M, Saikia KR, Hazarika J (2015) A study on two parameter discrete quasi- Lindley distribution and its derived distributions. *International Journal of Mathematical Archive* 6(12): 149-156.
2. Borah M, Saikia KR, Hazarika, J (2016) Discrete Janardan distribution and Its Applications, (Accepted for publication in the *Journal of the Ethiopian Statistical Association*.)
3. Borah M, Saikia KR (2016) Certain properties of discrete Sushila distribution and its applications. *International Journal of Scientific Research* 5(6): 490-498.
4. Borah M, Saikia KR (2016) Zero- Truncated Discrete Shanker Distribution and Its Applications. *Biometrics & Biostatistics International Journal*
5. Borah M, Saikia K. R.: Three parameter Lindley Distribution and its applications (communicated)
6. Borah M, Saikia K. R. : Two parameter Discrete Quasi Lindley Distribution and its applications (communicated)
7. Borah M Saikia K.R : Two parameter Discrete Gamma Lindley Distribution and its application (communicated)
