

ACKNOWLEDGEMENT

This work would not have been possible to undertake and accomplish if it was not due to endeavored support and encouragement from numerous individuals. It is a pleasant honor to convey my heartiest thanks to all those who offered help and support during my PhD work. Without their continuous support and encouragement, this would not have been possible.

I would like to pay respect and deepest gratitude to my esteemed supervisor Prof. Swapan Kumar Dolui for his efforts to get me admitted into the PhD program. I will be forever grateful for his valuable suggestions, inspiring guidance, fatherly care and encouragement throughout my research tenure. Thank you Sir for all you've done for me. I will be indebted to you forever in my life. Words cannot express all that I wish to say to you.

I remain obliged to my doctoral committee members, Prof. RupamKataki and Dr. Dambarudhar Mohanta for their support and suggestions. I take this opportunity to express my sincere thanks to the Head, Department of Chemical Sciences, Tezpur University for giving me the opportunity to work in the department and making all the facilities available for my research work.

My gratitude goes to the Vice-Chancellor, Tezpur University for his invaluable encouragement and support.

My special appreciations go to all the technical staff of Department of Chemical Sciences and SAIC for their constant help and support during my research work.

I would like to extend my warm thanks to all my dearest friends for their inspiration, special friendships, support and invaluable suggestions. I am thankful to my lab mates Kiran da, Simanta, Shahnaz, Suman, Priyankamoni, Asfi and Jyoti Prakash whose ideas, love and encouraging words have made my journey beautiful. I would also like to take this opportunity to thank Durlav, Chinmoyee, Pyayashi and Biswajit for their invaluable help during this period. I will remember them forever for their encouragement and invaluable help.

My most loving gratitude goes to my parents and other family members for their countless sacrifices, moral support, constant prayers and encouragements for my career. Last but certainly not the least, I would like to thank the Almighty God for everything He has bestowed upon me.

June, 2019
