

ACKNOWLEDGMENT

This dissertation would not have the spirit that it has without the invaluable academic, educational, psychological and human support bestowed upon me by all the people during the journey of my Ph.D career and my life.

At the very onset, I would like to acknowledge the Almighty for everything that has come my way in this journey by his grace and mercy.

My heartfelt appreciation goes to my family – my parents and my sister for their immeasurable love, blessings and support during this crucial time of my life.

It gives me immense pleasure to convey my profound gratitude and appreciation to my Ph.D supervisor Dr. Niranjana Karak, Professor & Dean, Research and Development, Department of Chemical Sciences, Tezpur University for his inspired guidance, incisive criticism, healthy motivation, huge patience, constant support and the liberty to pursue my Ph.D work. I am highly indebted to him for his commitment to my research work, which has been influential in allowing me to nurture and evolve as a researcher. His sincere and unwavering dedication towards scientific research will continue to inspire me in my future endeavors.

I would like to express my sincere gratitude to my doctoral research committee members Dr. Ruli Borah, Professor & Head of the Department, Department of Chemical Sciences and Dr. Pankaj Bharali, Assistant Professor, Department of Chemical Sciences for their valuable suggestions and advice during my Ph.D career.

It is my utmost pleasure to acknowledge the former Head(s) of the Department, Professor Ashim Jyoti Thakur and Professor Ramesh Chandra Deka, for providing me the opportunity to carry out my research work in the department and their valuable advice during my Ph.D tenure.

I am especially grateful to Dr. Utpal Bora and Dr. Sanjeev Pran Mahanta, for their valuable suggestions, timely inputs and constant encouragement throughout my Ph.D tenure.

I am greatly thankful to the entire Faculty of Department of Chemical Sciences – Prof. Nashreen S. Islam, Prof. Swapan K. Dolui, Prof. Tarun K. Maji, Prof. Robin K. Dutta, Prof. Ashwini K. Phukan, Dr. Panchanan Puzari, Dr. Bipul Sarma, Dr. Nayanmoni Gogoi, Dr. Sajal K. Das, Dr. Kusum K. Bania, Dr. Sanjay Pratihar and Dr. Himangshu P. Goswami for their timely support and suggestions.

I would like to offer my sincere thanks to the Technical Staff of the department – Dr. Biren Gohain, Dr. Dhrubajyoti Talukdar, Mr. Sankur Phukan, Mr. Biraj J. Borah, Mr. Manoranjan Sarma, Mr. Biplob Ozah, Mr. Nipu Dutta and Mr. Raju K. Borah for their vital and timely contribution to my research.
