

As I reach another keystone in my academic carrier, I first express my deepest sense of gratitude to my Ph.D. supervisor **Dr. Rupak Mukhopadhyay**, Assistant Professor, Department of Molecular Biology and Biotechnology, Tezpur University, who supported my efforts and provided intellectual stimulation, scientific observation, and guidance throughout my research tenure. It gives me immense pleasure and joy to express my heartfelt appreciation to my supervisor who was there to help even in my non-academic hard times.

I take this opportunity to thank my doctoral committee members **Dr. Sougata Saha**, Department of Molecular Biology and Biotechnology, **Dr. Venkata Satish Kumar Mattaparthi**, Department of Molecular Biology and Biotechnology and **Dr. Satya Sundar Bhattacharya**, Department of Environmental Science, Tezpur University, for their constant support and scientific advices.

I would like to express my deep gratitude to former Vice-chancellor, **Prof. M. K. Chaudhury** and present Vice-chancellor, **Prof. V. K. Jain** of Tezpur University for providing all the necessary facilities and supporting niche for completion of my Ph.D. research. I also express my sincere gratitude to the Chairperson and members of the Departmental Research Committee, Department of Molecular Biology and Biotechnology, for their useful advice and encouragement during progress seminars and various phases of my research.

The financial assistance received from DST, Govt. of India, as DST-INSPIRE-JRF/SRF fellowship (IF140337) is duly acknowledged. I also duly acknowledge Department of Biotechnology for the research funding provided to Dr. Rupak Mukhopadhyay's laboratory.

I extend my sincere thanks to **Dr. Md. Kamaruz Zaman** and taxonomist **Dr. Pankaj Chetia**, Dibrugarh University, Assam, India as well as BSI-Shillong, Meghalaya for the identification of the plant specimens, I have worked with. I acknowledge and sincerely thank **Dr. Bhaskarjyoti Gogoi** and **Dr. Suman Kumar Samanta**, Institute of Advanced Study in Science and Technology, Guwahati for their help in performing flow cytometric analysis; **Dr. Kaushik Biswas** and Shibjyoti Debnath, Bose Institute, Kolkata, for providing help in performing animal experiments; **Dr. Parasuraman Jaisankar** and Rahul L. Gajbhiye, Indian Institute of Chemical

Biology, Kolkata, for their help in performing HPLC and ESI-MS experiments and **Dr. Siddhartha Maiti** and **Dr. Samir K Maji**, IIT Bombay for HR-LCMS analysis work.

I appreciate the help provided by Prakash Da of SAIC, Tezpur University. I would also like to thank our departmental technical staff - Dr. K. Hazarika, Dr. N. K. Bordoloi, P. Mudoj da, Samar da, Pranab da, Pranita ba, Guna da, and all other staff members for their help and support.

I am thankful to my lab mates Dr. Linee Goswami, Dr. Manash Deep Dey, Anandita Basu, Anindhya Sundar Das, Manoj Sharma and Pushpa Sharma for their support throughout my Ph.D. tenure. I appreciate gestures provided by the M.Sc., integrated M.Sc. and intern students who undertook dissertation work in the laboratory of Dr. R. Mukhopadhyay. I am happy to cordially acknowledge the help and support provided by Archana Singh, Anuj Kumar Bora, Neelanjana Sharma, Kamalakshi Deka, Supriya Sahu, and Taufikul Islam during my Ph.D. tenure. They provided enough encouragement and unconditional support throughout my Ph.D. I also acknowledge my batch mates, seniors and juniors for being a part of my Ph.D. tenure.

Ph.D. life would have been a tougher one without the constant support, encouragement, sacrifices and unconditional love by my mother Mrs. Kunja Dowania, father Mr. Uma Zamader and my husband Mr. Ashim Dutta. I am lucky enough to get Mrs. Monu Devi Konwar and Mr. Anil Dutta as my in-laws, who have supported me in every step of my research. I extend heartily thanks to my family members Sangita Majumder, Tulika Majumder, Debasish Majumder, Suranjan Dutta, Prapita Pranti Chutia and Vedangsh, who were always there in my simplest to toughest need and support.

I hereby express my gratitude towards every individual, who has made my stay at Tezpur University a memorable one. Mere thanksgiving would never be enough towards the God, who always kept me healthy, strong and provided patience in me, which was of immense requirement in the journey of my Ph.D.
