List of Publications and Conferences

Published/Communicated

(1) Das, P. K. and Haokip, L. Correction and weight distribution of periodic random errors. *Science and Technology Asia*, 26(4):38-47, 2021. https://ph02.tci-thaijo.org/index.php/SciTechAsia/article/view/245872. (Scopus, UGC-CARE List, Group II).

(2) Das, P. K. and Haokip, L. Periodical burst error correcting codes with decoding error probability. *Discrete Mathematics Letters*, 8:49-56, 2021. DOI: 10.47443/dml.2021.0077. (Scopus, UGC-CARE List, Group II).

(3) Das, P. K. and Haokip, L. Low-density periodical burst correcting codes with decoding probability and detection capability. *Journal of Applied Mathematics and Computing*, 68:4537-4557, 2022. https://doi.org/10.1007/s12190-022-01716-z. (SCI Expanded(IF 2.19), UGC-CARE List, Group II).

(4) Das, P. K. and Haokip, L. Codes with burst distance and periodical burst errors. *Journal of Computational and Applied Mathematics*, 411:114240, 2022. https://doi.org/10.1016/j.cam.2022.114240. (SCI Expanded (IF 2.87), UGC-CARE List, Group II).

(5) Haokip, L. and Das, P. K. Correction of low-density periodic random errors with weight distribution and error decoding probability. *Communicated*.

Conference Presentations

(1) Codes and periodic random errors. *First National Conference on the Application of Mathematical Tools in Social Sciences and Sciences (online).* Zakir Husian Delhi College, University of Delhi, India, October 17-18, 2020.

(2) Correction of periodical burst errors. *2nd Annual Convention of the North East Academy of Science and Technology & International Seminar on Recent Advances in Science and Technology (virtual).* Mizoram University, India, November 16-18, 2020.

(3) Codes on s-periodic random errors for lower weight. *International Webinar on Foundations for Contemporary Mathematical Research.* Department of Mathematics, Manipur University, India, November 8-10, 2021.

(4) Low-density periodic random error correcting codes. *International Conference on Emerging trends in Pure and Applied Mathematics (blended mode).* Department of Applied Sciences and Mathematical Sciences, Tezpur University, India, March 12-13, 2022.
