CHAPTER ONE 1

INTRODUCTION 1

1.1 Introduction: 1

1.2 Background of the study 1

1.3 Emotional Intelligence 2

1.3.1 Theoretical Background of Emotional Intelligence 5

1.3.2 Models of Emotional Intelligence 6

1.4 Social Intelligence 11

1.4.1 Historical development of Social Intelligence 12

1.4.2 Models of Social Intelligence 14

1.5 Teaching Style 17

1.5.1 Types of Teaching Style 18

1.6 Professional commitment: 20

1.6.1 Theories of Professional Commitment: 23

1.7 Rationale of the Study 24

1.8 Problem statement 29

1.9 Purpose statement 29
1.10 Research Questions: 30
1.11 Objectives of the Study 31
1.12 Hypotheses: 32
1.13 Operational Definitions: 35
1.13.1 Independent Variables: 35
1.13.2 Dependent Variables: 37
1.13.3 Related Key Terms: 38
1.14 Delimitations of the Study 39
1.15 Organization of the Thesis chapters 39
1.16 Chapter summary 41
CHAPTER TWO 43
REVIEW OF RELATED LITERATURE 43
2.1 Introduction 43
2.2 Emotional Intelligence on Gender & Teaching Experience 43
2.2.1 Gender Gap in Emotional Intelligence 43
2.2.2 Emotional Intelligence in relation to teaching experience 48
2.3 Studies on social intelligence in relation to demographic variables 49
2.3.1 Gender gap in social intelligence 49
2.3.2 Social intelligence in relation to teaching experience of teachers 52
2.4 Studies on emotional intelligence in relation to teaching style and professionalcommitment 53
2.4.1 Emotional intelligence in relation to teaching style 53
2.4.2 Emotional intelligence in relation toprofessional commitment 56
2.5 Studies on social intelligence in relation to teaching style and professionalcommitment 58
2.5.1 Social intelligence in relation to teaching style 59
2.5.2 Social intelligence in relation to professional commitment 60

2.6 Critical views of review.....61
CHAPTER THREE.....66
METHODOLOGY OF THE STUDY.....66
3.1 Introduction.....66
3.2 Context and purpose of the study.....66
3.3 Roadmap of the Chapter.....68
3.3.1 Philosophical and methodological choices: 68
3.3.2 Research paradigm and Research philosophy.....69
3.3.3 Research methodology……..70
3.3.4 Methodological alternatives.....71
3.3.5 Research method 72
3.3.6 Time horizon 72
3.4 Research design.....73
3.4.1 Population, sampling procedures and sample of the study 75
3.5 Measurements and Research instruments 78
3.6 Measurements and Research instruments 81
3.6.1 Development and validation of emotional intelligence scale (EIS).....81
3.6.2 Construction and Validation of Social Intelligence Scale(SIS) 111
3.7 Procedures of data collection: 143
3.8 Data analysis strategy.....144
CHAPTER FOUR 146
4.1 Introduction:.....146
4.2 Objective 1: To study the influence of gender, teaching experience and theirinteraction on emotional intelligence of teachers 146
4.3 Objective 2: To study the influence of gender, teaching experience and theirinteraction on social intelligence of teachers.....158
4.3.1 Influence of gender, teaching experience and their interaction on socialintelligence of teachers 164

4.4 Mediation effect of mediation effect of emotional intelligence and social intelligence on the relationship between gender and teaching style of teachers 172

4.5 Mediation effect of emotional intelligence and social intelligence on the relationshipbetween gender and professional commitment of teachers 181

4.6 Mediation effect of emotional intelligence and social intelligence on the relationshipbetween teaching experience and teaching style of teachers 190

4.7 Mediation effect of emotional intelligence and social intelligence on the relationship between teaching experience and professional commitment of teachers 199

4.8 Moderation effect of gender on the relationship between emotional intelligence and teaching style of teachers 208

4.9 Moderation effect of gender on the relationship between social intelligence andteaching style of teachers 217

4.10 Objective 9: To study the moderation effect of gender on the relationship emotional intelligence between and professional commitment of teachers 224

4.11 Moderation effect of gender on the relationship between social intelligence andprofessional commitment of teachers 234

4.12 Moderation effect of teaching experience on the relationship between emotionalintelligence and teaching style of teachers 241

4.13 Moderation effect of teaching experience on the relationship between socialintelligence and teaching style of teachers 251

4.14 Moderation effect of teaching experience on the relationship between emotionalintelligence and professional commitment of teachers 260

4.15 Moderation effect of teaching experience on the relationship between socialintelligence and professional commitment of teachers 269

CHAPTER FIVE 281

5.1 Introduction 281

5.2 Influence of gender, teaching experience and their interactions on

emotionalintelligence of teachers.....282
5.2.1 Influence of gender on emotional intelligence.....282
5.2.2 Influence of teaching experiences on emotional intelligence 283
5.2.3 Influence of interaction between gender and teaching experience on emotionalintelligence of teachers.....284
5.3 Influence of gender, teaching experience and their interactions on social intelligenceof teachers 285
5.3.1 Influence of gender on social intelligence of teachers 285
5.3.2 Social intelligence and teaching experience 286
5.4 Explaining roles of emotional intelligence and social intelligence on the gender gapin teaching style of teachers 287
5.5 Explaining roles of emotional intelligence and social intelligence on the gender gapin professional commitment of teachers 288
5.6 Explaining roles of emotional intelligence and social intelligence on the relationship between teaching experience and teaching style of teachers.....288
5.7 Explaining roles of emotional intelligence and social intelligence on the relationship between teaching experience and professional commitment of teachers……289
5.8 Differential role of emotional intelligence on teaching style of male and femaleteachers.....289
5.9 Differential roles of social intelligence on teaching style of male and female teachers……290
5.10 Differential roles of emotional intelligence on professional commitment of maleand female teachers.....290
5.11 Differential effects of social intelligence on gender gap in professionalcommitment of teachers.....291
5.12 The moderation effect of teaching experience on the relationship betweenemotional intelligence and teaching style of teachers.....292
5.13 The moderation effect of teaching experience on the relationship

between socialintelligence and teaching style of teachers 293

5.14 The moderation effect of teaching experience on the relationship between emotional intelligence and professional commitment of teachers……294

5.15 The moderation effect of teaching experience on the relationship between socialintelligence and professional commitment of teachers 295

CHAPTER VI 297

6.1 Introduction 297

6.2 Major Findings 297

6.2.1 Influence of gender, teaching experience and their interactions on emotionalintelligence of teachers 297

6.2.2 Influence of gender, teaching experience and their interactions on socialintelligence of teachers 298

6.2.3 Explaining roles of emotional intelligence and social intelligence on the gendergap in teaching style of teachers 298

6.2.4 Explaining roles of emotional intelligence and social intelligence on the gendergap in professional commitment of teachers 299

6.2.5 Explaining roles of emotional intelligence and social intelligence on therelationship between teaching experience and teaching style of teachers ……..301

6.2.6 Explaining roles of emotional intelligence and social intelligence on the relationship between teaching experience and professional commitment of teachers 302

Differential role of emotional intelligence on teaching style of male and femaleteachers ……..…….303

6.2.7 Differential roles of social intelligence on teaching style of male and femaleteachers…….. 304

6.2.8 Differential roles of emotional intelligence on professional commitment of maleand female teachers 305

6.2.9 Differential effects of social intelligence on gender gap in

professionalcommitment of teachers 307
6.2.10 The moderation effect of teaching experience on the relationship betweenemotional intelligence and teaching style of teachers.....308
6.2.11 The moderation effect of teaching experience on the relationship between socialintelligence and teaching style of teachers 309
6.2.12 The moderation effect of teaching experience on the relationship between emotional intelligence and professional commitment of teachers.....311
6.2.13 The moderation effect of teaching experience on the relationship between social intelligence and professional commitment of teachers.....313
6.3. Educational Implications:.....315
6.3.1 For teachers 315
6.3.2 For researchers 315
6.3.3 For policy planner and administrators.....316
6.4. Recomendations 316
6.5. Conclusions 317
6.6. Limitations of the study.....321
6.7. Suggestions for further researches 322
Bibliography.....325
APPENDICES
Appendix 1: Data collection Tools
Appendix 2: Permission letter for data collection
Appendix 3: Field confirmation letters
