I shall forever remain indebted to my supervisor, Prof. Farheena Danta for her undaunted support and invaluable scholarly comments and remarks throughout the entire process of this research. Her expert supervision rendered a difficult journey much easier and smoother. Her ability to provide not only academic but emotional support and help is something I will always look up to and admire.

I am equally grateful to Prof. Bijay K. Danta who always offered his excellent insights and views on different aspects of this study. His eagerness to help scholars/students and share his knowledge and expertise with them are things that will continue to inspire me.

I take this opportunity to thank my DRC members Prof. Madhumita Barabara, Prof. Gautam K. Borah and Retired Prof. Madan Mohan Sarma who had always been willing and ready to help. I also extend my gratitude to all other faculty members whose comments and views definitely helped in the long run. I would be ungrateful if I forget, at this moment, to mention the prompt help received from the departmental office staff regarding any official matter.

I acknowledge the different academic materials received from the Central Library of Tezpur University. In this regard, I also acknowledge and thank the National Library Kolkata, American Library Kolkata, Osmania University Centre for International Programmes, Hyderabad and Romesh Mohan Library, EFLU, Hyderabad for the resources received from their end.

I must have to mention friends and fellow research scholars Rajashree Dutta, Raktima Bhuyan, Porosha Sonowal, Priyanka Saha, Smitashri amongst others for their support.

I express my heartfelt thanks to all members of Sonu Computers who handled the printing and publication of this thesis.

I thank colleagues at Pandit Deendayal Upadhyaya Adarsh Mahavidyalaya, Goalpara, Assam who always provided a healthy work environment. I especially have to mention Chandrama Sarkar and Subhomoy Dey who constantly supported and motivated me.

I am grateful to Dr. Navajyoti Borah, Principal, Dispur College, Guwahati, where I currently work, for being kind enough to facilitate the process of availing leave during the final days of completion of this thesis.

I am also grateful to colleagues at Dispur College for their prompt help and cooperation in everything. I thank Dr. Sanjib Kr. Sarma, Dr. Binoy Chetia, Mr. Sutibra Malakar and Mrs. Swarnali Kalita from the Dept. of English, Dispur College who always managed and adjusted my duties whenever needed.

My parents have, like always, remained the guiding force during the entire process. Without their blessings, this journey would not have been possible. My sister, brother-in-law, and my little nephew, Advik were equally helpful, kind and encouraging. Last but not the least, my husband, Mrinal has been my pillar of strength, always supportive and standing rock solid behind me.
