ACKNOWLEDGEMENT

I would like to use this opportunity to express my gratitude to everyone who helped me improve the quality of my research work in the most significant ways. It would have been nearly impossible to finish my research on time without their invaluable assistance.

First and foremost, I would want to express my deepest appreciation to Dr. Arup Roy, my supervisor for his constant advice and genuine interest in making my study interesting. Without his contributions, wouldn't have been able to finish this study. He provided me with all the drive and support I needed to get to this point of submission. I would also want to thank the members of the Doctoral Committee, Prof. Debabrata Das and Prof. Anjan Bhuyan for their invaluable assistance throughout my Ph.D. journey.

I am grateful to Prof. Shambhu Nath Singh, Vice Chancellor of Tezpur University, for providing me with an opportunity to pursue my Ph.D. in the University. I gratefully applaud Prof. Chandan Goswami, Dean, School of Management Sciences; Dr. Tridib Ranjan Sarma, Head, Department of Business Administration, and members of the Department of Business Administration's Doctoral Research Committee (DRC) and other faculties and non-teaching staffs for their assistance in accomplishing this study.

I will forever indebted to my late parents Mr. Chitta Ranjan Das and Mrs. Maya Das for their unconditional love and unwavering support. I wish my parents to stand by my side and see my Ph.D. degree. To my Maa and Baba " I LOVE YOU, I KNOW YOU ARE PROUD OF ME, I DID IT". I will be thankful to my wife Mrs. Puja Saha Roy for her care, support and encouragement, particularly at the time of submission. A special thanks to my maternal uncle Dr. Nikhil Chandra Das for his constant support and in-depth knowledge in the field of horticulture. I would want to express my gratitude to Prof. Jayanta Hazarika (Department of Agricultural Economics and Farm Management) for his guidance and support. I would like to express my gratitude to all my friends and family members for their great assistance. Dr. Sandeep Singh, Dr. Shivam Kakati, Mr. Saurabh Srivastava and to all my fellow research scholars deserve my gratitude for assisting me at various phases of my research. I would want to offer my heartfelt appreciation to all of the research participants who volunteered their time and answered questions honestly. I thank the Almighty for giving me the bravery, patience, and good health to endure all of life's ups and downs. Please accept my sincere apologies for any names I may forgotten to mention.
