

Contents

1	Introduction	1
1.1	Preliminaries	2
1.2	Hardy-Littlewood maximal function	3
1.3	Minimal function	9
1.4	Integral operators of Hardy type	13
1.5	Hardy-Steklov integral operators	15
2	Weighted estimates for a one-sided maximal function in the vector-valued setting	17
2.1	Introduction	17
2.2	Preliminaries	18
2.3	Main results	20
3	Weighted estimates for a one-sided fractional minimal function	31
3.1	Introduction	31
3.2	Preliminaries	32
3.3	Weak and strong type results	33
3.4	Relation between weak and strong type estimates	38
4	Weighted estimates for the one-sided dyadic fractional maximal function	41
4.1	Introduction	41
4.2	Weak type result	42
4.3	Strong type results	47
5	On weighted estimates of mixed type for the modified integral Hardy operators	53
5.1	Introduction	53
5.2	Preliminaries	55

5.3	Weak type results	55
5.3.1	Statement of the results	56
5.3.2	Proof of Theorem 5.3.1	58
5.3.3	Proof of Theorem 5.3.3	63
5.4	Extra-weak type results	68
5.4.1	Statement of the results	69
5.4.2	Proof of Theorem 5.4.1	71
5.4.3	Proof of Theorem 5.4.3	75
6	Mixed type weighted integral inequalities for the Hardy-Steklov integral operators	80
6.1	Introduction	80
6.2	Preliminaries	82
6.3	Weak type results	82
6.4	Extra-weak type results	99
	Bibliography	116
