

A Thorough Study of the Synthesis of Dibenzoxanthene Derivatives and Reaction Intermediates

A Report Submitted to the

Department of Chemical Sciences

Tezpur University

For the partial fulfillment of degree of

Master of Science

In

Chemical Sciences

Submitted by

Mrinal Saikia

M.Sc. Final Semester
School of Science and Technology
Department of Chemical Sciences
Roll No. CHM10007
Tezpur University
Tezpur, Napaam-784028
Assam

Carried out under the guidance of

Dr. Ruli Borah

Associate Professor
Department of Chemical Sciences
