ACKNOWLEDGEMENTS

It is great pleasure for me to express my gratitude and acknowledgment for the valuable support and guidance that I received during this project work from Dr. A. K. Phukan, Associate Professor, Department of Chemical Sciences.

I would like to thank Prof. N. Karak, Head, Department of Chemical Sciences for allowing me to do my project work.

I am very much thankful to Ankur Kanti Guha, Satyajit Sarmah and Ujjal Gogoi, Research Scholar, for their help, advice and encouragement during my project work.

Finally I would like to offer my indebtedness to all persons whose support and guidance have helped me in carrying out this project work.
