ACKNOWLEDGEMENT

Gliding down the days of the development of the system entitled "**Web Application Test Development using Selenium**" I share a thought of giving an ovation to all the people for their support, valuable and guidance that has helped me carrying out this work.

At the very outset I would like to acknowledge my sincere thanks to Utpal Sharma, Head of the Dept. of Computer Science and Engineering, Tezpur University and my Special thanks to Mr. Deepak Goenka, lead Automation Engineer, SoftwareAG, Bangalore for providing me the opportunity to do this project.

I extend my hearty thankfulness and gratitude to Mr. Debojit Boro, Assistant Professor of Dept. of Computer Science and Engineering, Tezpur University, for following me to work under their edifying guidance and support , without which it would have been impossible to complete the project.

I would like to take the opportunity to express my deep sense of gratitude to the entire faculty for their valuable suggestions, references and encouragement.

Finally I would like to thank all my classmates for their valuable help and constant throughout the period.
