ACKNOWLEDGEMENT

I am overwhelmed to avail this rare opportunity to evince my profound sense of gratitude and regard to my advisor Dr Kshirod Kumar Dash, Assistant Professor, Dept. of Food Engineering and Technology, Tezpur University, Tezpur for his disciplined attitude, inspiring and valuable guidance, authentic suggestions with constructive criticism and soothing affection time throughout the course of investigation and preparation of this manuscript.

With great sincerity, I extend my gratitude and thanks to Dr M. K. Hazarika, Head of the Department of Food Engineering and Technology, Tezpur University, who helped me with every support throughout the study whenever I sought for.

I would like to thank all the faculty members, Department of Food Engineering and Technology, Tezpur University, who directly or indirectly helped me for successful completion of my project work.

I further express my sincere thanks to the Laboratory Assistant, Laboratory Technician and staff members of this department for their help throughout the entire project work.

Lastly I would like to thank my Parents along my family members and all my classmates for their constant support for my success.
