CERTIFICATE

Dr. Panchanan Puzari
Assistant Professor
Dept. of Chemical Sciences
Tezpur University, Assam

The work presented in the dissertation entitled "**Development of an Organic Phase Biosensor for Pesticide**" by **Pallab Kr. Saikia**, a M.Sc. student of Tezpur University has been carried out under my supervision and is the genuine work of him. The work has not been submitted for any other degree of this or any other University.

CERTIFICATE

This is to certify that the project work entitled “**Development of an Organic Phase Biosensor for Pesticide**” performed by **Pallab Kr. Saikia**, in the Department of Chemical Sciences, Tezpur University embodies the original work done by him in the partial fulfillment of the requirements for the award of degree of **Master of Science in Chemical Sciences**. The project meets all the requirements of M.Sc. project.

Further, it is also certify that the project has not been submitted for any purposes elsewhere.

DECLARATION BY THE CANDIDATE

This is to declare that I have carried out the M.Sc. project entitled “**Development of a Conducting Polymer Based Biosensor**” under the guidance of **Dr. Panchanan Puzari, Assistant Professor** in the Department of Chemical Sciences, Tezpur University for the partial fulfillment of the degree in **Master of Science in Chemical Sciences**. The report embodied accounts for my own findings and have not been submitted previously anywhere for any degree whatsoever by either me or anyone else.

Pallab Kr. Saikia

ACKNOWLEDGEMENT

I would like to take this opportunity to express my heartiest gratitude to all those who guided and helped me in the successful completion of my M. Sc. project.

*It gives me immense pleasure to trace deep sense of gratitude to **Dr. Panchanan Puzari**, Assistant Professor, Department of Chemical Sciences, Tezpur University, Assam for his precious guidance, help and discussions throughout the course of project without which I would not have concluded this work.*

*I offer my sincere thanks to the **Head of Department** of Chemical Sciences, Tezpur University for providing me the opportunity to undertake this project work.*

*I am also offering my thanks to **Miss Rekha Rani Dutta** for lending me her helping hands throughout my project work.*

*I am also thankful to **Mr. Biraj Borah, Mr. Arup Chakraborty and Mr. Manoranjan Sarma** for providing me chemical and glass-ware during my project work.*

*With much appreciation, I would like to mention the help and support that I received from my lab mate **Prabin and all my batch mates**. Also I am offering my special thanks to my senior **Saswat Daa** and my friend **Pingal** for their sincere help.*

There is no word to express my sense of appreciation to my family members. Whatever I am and whatever I will be in future is because of their commitments to my ambition and their selfless sacrifice. They have been the outmost source of encouragement for me and I devote this dissertation to them.
