

DECLARATION

I hereby declare that the Project Work entitled “Effect of various processing treatments on chemical compositions of newly developed cultivars of green gram [*Vigna radiata* (L.) Wilczek] and black gram [*Vigna mungo* (L.) Hepper] of Assam”, was carried out by me at the Department of Food Processing Technology, Tezpur University, Tezpur under the guidance of Dr. Sankar Ch. Deka, Associate Professor, Department of Food Processing Technology, Tezpur University, Tezpur.

This Project Report is being submitted as a partial fulfillment of the requirements for the award of “MASTER OF SCIENCE in FOOD PROCESSING TECHNOLOGY” by Tezpur University, Tezpur.

I further declare that this Project or any part of it has not been submitted elsewhere for any other degree or diploma to any other University/Institute.

CERTIFICATE BY THE SUPERVISOR

I certify that the project entitled “Effect of various processing treatments on chemical compositions of newly developed cultivars of green gram [*Vigna radiata* (L.) Wilczek] and black gram [*Vigna mungo* (L.)Hepper] of Assam” submitted by Ms. Pompei Kakati (FPT07009) to the Department of Food Processing Technology, Tezpur University in partial fulfillment of M.Sc. degree embodies the record of original investigation carried out by her under my supervision. To the best of my knowledge the project embodies account for her own findings and has not been submitted previously anywhere for any degree whatsoever by either her or anyone else.

(S. C. DEKA)

ACKNOWLEDGEMENTS

At the very outset, I would like to take this opportunity to extend my sincere gratitude and my heartiest thanks to my guide Dr. Sankar Ch. Deka, Associate Professor, Department of Food Processing Technology, Tezpur University, who has constantly guided and advised me in my entire project work; without whose guidance, support, co-operation and encouragement, this project would not have been possible.

With great sincerity, I extend my gratitude and thanks to Prof. C.L. Mahanta, HoD, Department of Food Processing Technology, Tezpur University, who helped me with every support throughout the study whenever I sought for. I would like to thank Mr. Nandan Sit, Assistant Professor, Department of Food Processing Technology, Tezpur University, for his helpful suggestions throughout the study. I would also like to extend my gratitude to Dr. S.K. Samdarshi, Prof. & Head of the Department of Energy for his kind support throughout the duration of the work. I also offer my sincere thanks to Dr. M. K. Sarmah of Assam Agricultural University, Biswanath Chariali for his help. I also express my sincere thanks to Dr. Dalim Pathak of Regional Agricultural Research Station, Assam Agricultural University, Nagaon, for his help during the collection of green gram and black gram seeds.

I also extend my gratitude to Mr. Dipankar Kalita, Laboratory Assistant, Dept. of Food Processing Technology for his help throughout my project work. Lastly, I would like to thank Alokmani Tripathi, (Department of Energy) and all my classmates for their constant encouragements. Last but not least I am indebted to my parents and family members for their encouragement throughout my work.
