ACKNOWLEDGEMENT

At the very outset, I would like to take this opportunity to extend my sincere gratitude and my heartiest thanks to my guide Mr. Dibyakanta Seth, Assistant Professor, and co-guide Mr. Kshirod Kumar Dash, Assistant Professor, Department of Food Engineering and Technology, Tezpur University, who have constantly guided and advised me in my entire project work, without whose guidance, support, co-operation and encouragement, this project would not have been possible.

With great sincerity, I extend my gratitude and thanks to Prof. S. C. Deka, HoD, Department of Food Engineering and Technology, Tezpur University, who helped me with every support throughout the study whenever I sought for. I would also like to thank all the professors of the Department of Food Engineering and Technology, Tezpur University, for their helpful suggestions throughout the study.

I also extend my gratitude to Mr. Dipankar Kalita, Technical Officer, Dept. of Food Engineering and Technology for his help throughout my project work. I further express my sincere thanks to Mr. Lobodeep Kalita and Mr. Dhruva Krishna Deka (Laboratory Technician) and staff members of this department for their help and co-operation throughout the entire project work.

I would also like to thank Mr. Anjan Borah and other research scholars for extending their help during my project work. Lastly, I would like to thank Mrs. Archana Borah for her help during my project work and all my classmates for their constant encouragements. Last but not the least I am indebted to my parents and family members for their encouragement throughout my work.
