

Hyperbranched Polyamine As a Flame Retardant Additive For Waste Polyethylene

873

A Dissertation Submitted to the
Department of Chemical Sciences
Tezpur University
For the partial fulfillment of degree of
Master of Technology
In
Polymer Science and Technology

Submitted by
Achyut Konwar

M.Tech 3rd semester
School of Science
Department of Chemical Sciences
Roll No. CHT11002
Tezpur University
Tezpur, Napaam-784028
Assam

Carried out under the guidance of
Dr. Niranjana Karak
Professor & Head
Department of Chemical Sciences
Tezpur University
